

FRONTLINE
GENERAL SECURITY GUARD SERVICES

ABOUT US

Frontline General Security Guard Services is a licensed establishment that provides protection & man guarding services to high-profile businesses and clients across the United Arab Emirates.

The L.L.C. is highly qualified in accommodating tailored security solutions for all events, clients & organizations in all industries from F&B and retail.

Over the last twelve years, Frontline General Security Guard Services has recruited experienced, licensed & trained security professionals in the region.

We believe that our security guards are an extension of your company, and as such, you can always expect professional conduct and the highest standards of presentation.

HISTORY

In 2010, Frontline General Security Guard Services was initially established under the name of AMZ Group.

The purpose of the organization was to address the issue of quality security and man guarding.

During that time, the increasing demand for our services resulted in a huge expansion of our clientele, their affiliates & their growing business establishments.

Twelve years later, we established the second member of the group in the United Arab Emirates, currently known as Frontline General Security Services L.L.C.

MISSION

Our mission is to provide outstanding protection, safety and security to our clients through our tailored services.

Our top priority is to ensure the protection of our client's premises, staff, assets & the general public.

VISION

We are dedicated to improving the services we deliver to our clients on a continuous basis.

We seek to fulfill all our goals and exceed our client's expectations by investing in our most valuable asset; our people.

Our aim is to win our client's trust by providing the highest quality safety & security services in the United Arab Emirates, while expanding Frontline General Security Guard Services to more GCC countries across the region.

VALUES

We value transparency, integrity, professionalism and mutual respect above all else as a corporation and as individuals.

We hold ourselves accountable to our clients, employees and partners by keeping our promises, delivering outcomes and aiming to provide the finest security services possible.

FRONTLINE ADVANTAGES

- » Frontline General Security Guard Services is founded by a well known and established mother company AMZ Group.
- » Our staff are professional skilled and trustworthy individuals in security, lifeguarding, housekeeping, customer service, management, health and safety and hospitality industry.
- » We are approved and certified members of SIRA.
- » We provide insurances that secure and cover the client, staff and properties.
- » Our team is carefully preselected and rigorously qualified based on company standards and protocol.
- » We comply with our 3 hours deployment policy: in 3 hours we will be able to deliver additional and massive deployment (however terms and conditions applied) as per client immediate request. That also applies in terms of emergency replacement deployment.
- » We from time to time visit the operation and supervise to make sure all the operation is smooth without charging extra.
- » We provide convenient, comfortable and well maintained accommodation facilities.
- » We make sure everyone meets the Personal Hygiene Protocol.

FRONTLINE ADVANTAGES

- » We customize the uniforms based on our clients requirements.
- » We make sure all our client's health & safety requirements are met based on their needs.
- » We keep a record of all meetings and documents as part of our service with no additional costs.
- » We make sure all our staff receive all their benefits and rights as per UAE Labour Law.
- » We conduct retraining programs to enhance our staff skills. We continuously provide additional health and safety programs as per market new era.
- » Commencement is 30 days from the date of contract signing.
